

Fireflies

A Safety Activity for Kindergarten Kids.

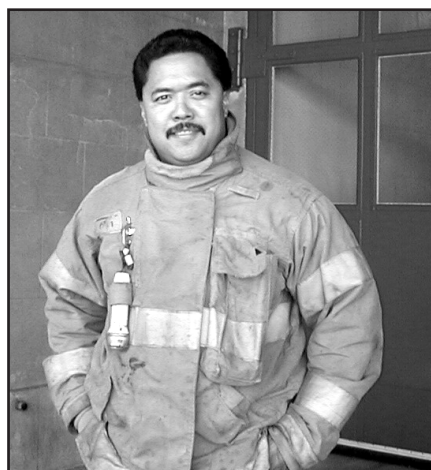

How do you get out if there is smoke in your home?
Color the spaces with the number 4 to find the answer.

Seattle Fire Department Public Education Section, 220 3rd Ave S, Seattle WA 98104
(206) 386-1338 • email: fireflies@ci.seattle.wa.us

Who Wears a Helmet?

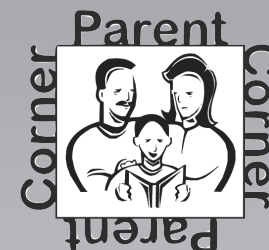

Draw a line between the person and their helmet.

Activity

Do you ever wear a helmet? Tell a story in which you wear a helmet and it keeps you safe.

Email FIREFLIES with any comments, suggestions, ideas or stories: fireflies@ci.seattle.wa.us

Did you know?

- ➡ Bicycle helmets reduce the risk of head injuries by 85%.
- ➡ Young children have the highest risk of dying in a home fire.

Welcome to FIREFLIES, a publication of the Seattle Fire Department. Your child receives four issues of FIREFLIES during the school year. FIREFLIES helps children learn how to be safe from fire and unintentional injuries. Help your child learn how to be safe by doing the activities in FIREFLIES with them, then review them often. Check out the resources below to extend the lessons even further. And remember to be a good role model for safe behavior. Learning by example and by doing are two of the strongest ways we learn how to be safe.

Books to read with your child

Crawl Low Under Smoke

by Lucia Raatma

Arthur's Fire Drill

by Marc Tolon Brown
